

## The Williston's Story

After enduring four years of unsuccessful attempts at pregnancy, Chuck and Misty Williston had given up. As they began exploring the possibility of adoption, a family friend told them about Presbyterian Children's Homes and Services. When Chuck and Misty received a phone call from our ministry regarding a newborn baby boy in need of a "forever home," they were thrilled. The moment they met him, they fell in love. One week later, they took their new son, Levi, home. Chuck and Misty are grateful for their **Presbyterian Children's Homes and Services' Adoption Services** social worker who they say is "the biggest blessing."

Homes and Services**  
of Texas and Louisiana

Established in 1903, Presbyterian Children's Homes and Services of Texas and Louisiana provides Christ-centered care and support to children and families in need. Its four-star ranking from Charity Navigator is the highest possible ranking this agency bestows. In 2013, PCHAS of Texas and Louisiana and St. Louis-based Presbyterian Children's Homes and Services of Missouri formed the PCHAS Network to collectively serve 6,700 at-risk children and families in Texas, Missouri and Louisiana.

PCHAS of Texas and Louisiana's six programs offer a continuum of care. These programs include:

- **Group Homes**
- **Foster Care**
- **Adoption**
- **Child and Family**
- **Education**
- **Single Parent Residential**

In 2012, our ministry:

- provided homes to 134 children through our Group Homes
- found "forever families" for 17 children through Adoption Services
- found loving homes for 284 children through Foster Care or Adoption
- helped 2,321 children and 1,064 families through our Child and Family program, a unique family preservation program
- served 63 Group Home residents and 60 former Group Home residents in our education program
- lifted up 36 children and 21 families in our Single Parent Residential program
- assessed 538 children through our Clinical Assessment team

**Altogether PCHAS of Texas and Louisiana's programs help more than 4,500 children and families each year.**
